Ohio Standards for Principals [*Organizing for High Quality Professional Development*, p. 6]

Standard 1 - Principals/Administrators help create a shared vision and clear goals for their schools and ensure continuous progress toward achieving the goals.

Standard 2 - Principals/Administrators establish and sustain collaborative learning and shared leadership to promote learning and achievement of all students.

Standard 3 - Principals/Administrators support the implementation of high quality standards based instruction that results in higher levels of achievement for all students.

Standard 4 - Principals/Administrators engage parents and community members in the educational process and create an environment where community resources support student learning, achievement and well being.

Standard 5 - Principals/Administrators allocate resources and manage school operations in order to ensure a safe and productive learning environment.

Professional Goals (related to the Ohio Standards for Principals)

* Goals may be revised and submitted for approval to the Miami Trace LPDC as needed throughout the licensure period.
