The SPONSOR agrees to provide the following:

1. The COMPANY must be allowed into the performance space no later than 30 minutes prior to the performance.
2. The performance space must be cleared of any and all physical obstructions including chairs, desks, other set pieces or gymnastics equipment prior to the arrival of the company. If a basketball net is stationed above the performance space we request it be raised to allow the performers to work above our set. The COMPANY can adapt to slightly smaller spaces, but request a 28'L x 20'D space with at least a 12' clearance from floor to ceiling. The exception to this space requirement is when booking a performance of BALLOONACY, which can be performed in a standard size classroom.
3. The performance and any workshops will begin at the agreed upon start time(s). This means that the students are seated and ready to enjoy the show/participate in the workshop at the starting time. The COMPANY books numerous events in a day and must remain on-schedule.

ADDITIONAL TERMS & CONDITIONS continued

4. The SPONSOR agrees to involve no more than the maximum number of students agreed upon for each workshop. Typically, this will be no more than 30 students per session, with 2 possible sessions occurring at one time. However, different ratios may be determined between the COMPANY and SPONSOR during the booking process.
5. The SPONSOR agrees to provide a person who is familiar with the electrical connections in the space and have lights (where available) pre-focused over the entire performance area.
6. The SPONSOR must provide someone recognized as an authority figure to give an introduction to the show. The Touring Road Manager can help with appropriate wording.
7. Audience members/workshop participants must be supervised by SPONSOR staff members at all times.
8. The Touring Road Manager will have sole and exclusive control of the performance and workshops, including the right to stop the performance if the audience is creating an unsafe acting environment. We also ask that teachers leave any work they are doing in the classrooms; the students will see the teachers are not engaged and follow suit.
9. The COMPANY does not permit any performance or rehearsal to be recorded, filmed, televised, or otherwise extended beyond the performance space without the consent of the Touring Road Manager.

Cancellation and Inclement Weather

1. In case of a Snow Day or an emergency on date of performance, contact **Morgan Thomas Mills (Touring Road Manager) immediately at 216.107.9723 (cell)**. If inclement weather should cause a school closure or delay, it is the SPONSOR's responsibility to contact the COMPANY. Both parties will then attempt to reschedule the performance at the earliest convenient time. If an agreeable time cannot be found, this contract is void.
2. If the COMPANY cancels or needs to reschedule a performance due to illness or accident, every consideration will be made with the SPONSOR in mind and payment will be discussed at this time.
3. In the event the SPONSOR cancels within 30 days of a performance without rescheduling, the SPONSOR will be liable for a cancellation fee of \$200.00.
4. In the event the COMPANY has arrived for a scheduled performance at the venue and the performance is cancelled, full payment is due. Extenuating circumstances can be discussed. If the performance can be rescheduled, the SPONSOR shall pay a \$200.00 lost time fee and the full cost of the rescheduled performance.
5. Performances are final and confirmed by phone or email at the time of booking. Failure to return this contract does not cancel a performance.
6. All cancellations must be in writing to the Director of Theatre Education. The COMPANY does not accept cancellations by phone unless it is the day of the performance.

Payment

1. Payment is to be in the form of a check made payable to Columbus Children's Theatre and is due the day of the performance/workshops. Any performance not paid after 30 days is considered late and is subject to late fees of \$25 for each consecutive 30 day period.
